 - * Engaging and supporting clinicians

Mission & Vision

Our mission is to cultivate a culture of excellence in physical therapist clinical education through leadership, collaboration, service, innovation, and scholarship.

Our Vision is to be a national leader in physical therapist clinical education.

Purpose

- * Optimize the administrative processes for physical therapist clinical education
- * Promote clinical faculty and clinical site development
- * Enhance communication between PT/PTA programs regarding clinical education
- * Reward outstanding performance of clinical faculty
- * Promote quality physical therapy clinical education through collaboration with the components of the American Physical Therapy Association
- * Support ongoing development of clinical education groups
- * Provide mentorship among Directors of Clinical Education (DCEs)/Assistant Directors of Clinical Education (ADCs) of PT programs.

Summary of Accomplishments
